# Let Us Do Your Baking

**The Pie Shoppe** is celebrating 36 years of helping groups reach their financial goals through fundraising! Back in the fall of 1986, two moms from Conemaugh Township High School Band in Somerset County approached us about selling our pies as a fundraiser for their band. Since that time, we have helped over 5000 school organizations, churches, relay for life teams, band boosters, youth groups, boy scouts, sports teams and dance troupes reach their financial goals by selling our pies and rolls.

In this current economic climate, research shows that more families are eating out less often and choosing to eat at home more often. With today's busy schedules, families want convenience yet are also hungry for more traditional family meals. Our products are a perfect fit. Our pies are a tasty, time-honored dessert.

**The Pie Shoppe** is a name you can trust. We have been in the business of baking for 75 years with our Fundraising Program successfully operating for the past 36 years.
